About the Y...Our Cause Defines Us

We know that lasting personal and social change comes about when we all work together. That's why, at the Y, strengthening community is our cause. Every day, we work side-by-side with our neighbors to make sure that everyone, regardless of age, income or background, has the opportunity to learn, grow and thrive.

The YMCA of Central New Mexico was founded in 1915. We have been honored nationally for our diversity in people, cultures and religions. Our Youth Sports Program is the largest in the city and uses the Y philosophy that every child plays in every game. There will not be any benchwarmers in our sports leagues. The Y is the state's largest Child Care provider with over 20 child care, pre-school and afterschool sites.

The Y would like to thank you for participating in this years golf tournament. Proceeds from this event support our "Step Up for Kids Campaign" which provides needed scholarships to the youth of Central New Mexico.
