# 2012 YMCA COMPETITIVE BASKETBALL LEAGUE YOUTH SPORTS

The YMCA is the leader in Youth Basketball across the state. Thanks to our partnership with the Clovis School District we are excited to bring YMCA Basketball to your town. Our league is geared to your players ability as we actively apply our professional basketball principles to develop your young player into the star of tomorrow!

Our goal is to create a "Farm System" within our League and the Clovis School District so your youth will be groomed to the level he or she is comfortable in playing.
