Dear YMCA at St. Paul's United Methodist Church Families:

The purpose of this letter is to notify you that the YMCA out-of-school time program located at St. Paul's United Methodist Church will be combining with our Horn Family YMCA out-of-school time program on Monday November 5, 2018. The YMCA bus pick-up schedule will remain the same for all students. Families will be able to pick children up at our Horn location, located at 4901 Indian School Rd NE on or before 6 PM starting Monday November 5, 2018.

As we had a robust summer program located at St. Paul's United Methodist Church, we will again be holding our summer 2019 summer program at SPUMC this upcoming summer. Our joint goal is to have the program space at SPUMC licensed and ready to go before summer 2019, which will allow for the opportunity to serve a greater number of children in the community. Additionally, as the YMCA continues its valued partnership with SPUMC, we will continue to offer Kids Club to all of our program participants located at the Horn Family out of school time program, both for any children currently in the Kids Club program and for those that would like to be a part of the club, as well as registration for the fantastic holiday pageant held at SPUMC.

We thank you for your support and patience during this time of transition. Please let me know if I can answer any questions or provide assistance as you make arrangements to work with a new YMCA out-of-school time location. The program Coordinator Louisa Garcia and I will be available during regularly scheduled business hours for any questions.

Sincerely,

Lisa Guida
