Three & Four Year Olds

We would like to welcome VarVar, Jackie and Khloe to the three's class! We will be starting the new three's with the basics of how to hold our pencils and write our names. The 3's and 4's will continue to write their ABC's and names. I have given each child an envelope with shapes and colors. Please take this home so families can work with them at home. We will be doing Thanksgiving projects and learning what it means to be thankful during the month of November.

Two Year Olds

The two's room is excited to welcome our new substitute staff members, Ms. Angel and Ms. Sydney. You will still be seeing Ms. Veronica and Ms. Maryn in the classroom as well. We are working on potty training along with festive holiday projects. We will continue to work on our colors and numbers. As always if you have any question or concerns please don't hesitate to speak with teachers, Ms. Shanlynn, and Ms. Lisa

Weather Reminder

We want to remind families that we follow APS's weather delays and closings. If APS is on a 2 hour delay we will open the center at 10:00 a.m. If APS is closed we will be closed. If APS is on a break please call the YMCA prior to attendance.

One Year Olds

The toddler room would like to welcome Heidi to our class!! For the month of November we will continue to work on speech and language development through rhyming and singing. We will focus on reading books based on Thanksgiving. We will be doing coloring and painting projects that tie into the Thanksgiving theme. We will also start to work on how to hold scissors and how to cut paper with them. We are excited for all the fun things we are going to do in November.

INFANTS

The infant room would like to welcome Charissa, Naomi, and Leonidas! We are excited to announce the opening of our new mobile infant room! This room will focus on the movers of our infant program, providing space and activities that will help our mobile infants develop their gross motor skills. The lead teacher in this room will be Ms. Nikki. For the younger infants we will continue to work on motor skills and social emotional skills.
