

FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

11/13/2020

Dear YMCA Members:

At the YMCA of Central New Mexico, the safety and well-being of our children, members, staff, volunteers and the broader Central New Mexico community have always been and will always be a top priority.

With the Governor's announcement today regarding the changes to the current health order, all YMCA wellness locations will be temporarily closed from November 16 – 30 in order to comply with the new mandates. As a leader in Youth Development we want to ensure the families who are currently attending a YMCA Child Care or School-Age program that we will continue to operate as an essential service during the shelter-in-place order.

Since our inception in 1915, the YMCA of Central New Mexico has always been an organization that boldly walks toward challenging and pressing community needs. Today is no different; please **stay with us** so we can continue to provide essential services to our community. As a member of the YMCA, you do more than just attend a gym. You are a key partner in helping the Y provide essential services to families in need during the pandemic. When you **stay with us** you ensure our Y remains strong during these difficult times and is poised to help and support those neighbors who need us most, especially in the area of child care for essential workers and families.

Thank you for your continued support as we navigate this evolving and challenging situation. Please be on the lookout for additional updates in the coming days about wellness programs and facility updates or visit our website at ymcacnm.org.

Be well,

Roberto E. Aguirre
CEO & President
YMCA of Central New Mexico
