Dear YMCA of Central New Mexico Members:

All existing members will need to complete a one-time online account set-up process before you will be able to register online for the first time and/or manage your existing account. Please review below how to properly set up your online account before beginning to register for programs.

STEP 1:

Ensure you know the email address used to originally set-up your YMCA account. If you don't or are unsure, please contact member services at 505-595-1515 OPTION 1, 2, or 3 and we will assist you.

STEP 2:

Logon to [DAXCO](#)

STEP 3:

Enter your email or phone number associated with your membership.

STEP 4:

If you do not have an existing account, you will be prompted with the question 'Would you like to sign up for an account?'

Select SIGN UP, select a membership and complete the information required. You will receive a confirmation email once you have successfully joined.

STEP 5:

If you do have an existing account, enter in your email address or phone number associated with your account and enter your password to login.

If you forgot your password. Click the Forgot your Password link. On the next screen, you will have the option to have a secure link be sent to your email OR you can select one of the three options to have a one-time code sent for quick login.

If you select the link be sent – check your email. Click the link provided and create your password. Your password must be at least 7 characters and contain at least one capital letter and one number.

STEP 6:

GO BACK TO [DAXCO](#). Enter your email address and password. You are ready to search and register online for programs!
